

Reviewer's Report

Associations Incorporation Act 1991 (ACT), section 75

I, Andrew Donnellan, have reviewed the accounts of the Public Transport Association of Canberra Inc, and confirm that, on the basis of the review, nothing has come to my attention that causes me to believe the accounting records are misleading and that they give a true and fair account of –

- a) the income and expenditure of the association during the financial year under review; and
- b) the assets and liabilities of the association at the end of that financial year; and
- c) any mortgages, charges or other securities of any description affecting any property of the association at the end of that financial year; and
- d) for each trust of which the association was the trustee during a period in that financial year, being part or all of that financial year —
 - i) the income and expenditure of the trust during that period;
 - ii) the assets and liabilities of the trust at the end of that period;
 - iii) any mortgages, charges or other securities of any description affecting any of the property of the trust during that period; and
- e) any prescribed matters.
