Dear Ms Clay

Thank you for your letter of 21 January 2021 regarding DA 202037798 around John Gorton Drive Stage 3 and the recommendations from the Public Transport Association of Canberra (PTCBR).

I am aware of the submission from the PTCBR to the Environment, Planning and Sustainable Development Directorate as part of the Development Application (DA) notification period. The PTCBR representations are explained in detail and will be carefully considered as part of the DA assessment process. Transport Canberra and City Services (TCCS) will ensure measures that prioritise public transport are included in this project as part of the detailed design of the project.

Thank you for raising this matter. I trust this information is of assistance.

Yours sincerely

Chris Steel MLA

Minister for Transport and City Services
